

Model 1673 Portable Swager/Expander

Swage or Expand Tubing *Anywhere*

Mounted on its own easy wheeling cart, Huth's **Model 1673** portable expander equips you to form standard slip joints, flares and flat flares, ball joints, deep swage expands, and reductions.

The large tray allows you to keep your tooling within easy reach and additional tool storage is available by attaching the 91166 or 91176 Ready Rak (purchased separately). Just wheel the 1673 to the job and watch it pay for itself.
